Minnesota Language Survey

Minnesota is home to speakers of more than 100 different languages. The ability to speak and understand multiple languages is valued. The information you provide will be used by the school district to see if your student is multilingual. In Minnesota, students who are multilingual may qualify for a Multilingual Seal upon further assessment. Additionally, the information you provide will determine if your student should take an English proficiency test. Based upon the results of the test, your student may be entitled to English language development instruction. **Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time.** Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Student Digital Equity Survey

Survey Information

Thank you for participating in the Student Digital Equity Survey. This survey collects information on student access to the Internet and electronic devices used for schoolwork in the student's home. Annandale Public Schools may use this information to identify students that could benefit from additional supports to make sure they can access learning opportunities outside the classroom or school building. It is important that we gather accurate information from every student so that each student and family has the equipment, help and support needed.

The information you provide in this survey will be reported to the Minnesota Department of Education (MDE). MDE may provide state- or school-level summary data—without personal, identifying information—to the Governor, legislators, agency staff and external partners who have established data sharing agreements and protocols. Annandale Public Schools will not share your personal, identifying information provided in this survey with others without your consent.

Instructions

Please fill in the following information based on how you use electronic devices to complete schoolwork at your home. This survey uses the primary address you provide as your “home.” **You should answer the questions below based only on the conditions at this address.** There is an opportunity at the end of the survey to say more about additional places you live and do homework.

Ethnic and Racial Demographic Designation Form

Student's First Name: _____ Middle Name/Initial: _____ Last Name: _____

Date of Birth: _____ District: _____ School: _____

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. The privacy notice can be found in our [Frequently Asked Questions: Ethnic and Racial Designation Form](#).
