Any statement made in the Policyholder's application will be deemed a representation, not a warranty. We cannot contest the validity of the Policy after it has been in force for two (2) years from the date of issue, except for non-payment of premium. All other Policy terms will remain applicable.

Any statements made by you, or on your behalf to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which you are covered. The following rules apply to each statement:

(1) No statement will be used in a contest unless:

   (a) it is in a written form signed by you, or on your behalf; and

   (b) a copy of such written instrument is or has been furnished to you, your beneficiary or legal representative.

(2) If the statement relates to your insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two (2) years during your lifetime.

ASSIGNMENT

Ownership of any benefit provided under the Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

EFFECTIVE DATE AND TERMINATION

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If the Policyholder pays the entire premium, the insurance for an Eligible Person will go into effect on the date stated on the Schedule of Benefits.

If you pay a part of the premium, you must apply in writing for the insurance to go into effect. You will become insured on the later of:

(1) the Individual Effective Date stated on the Schedule of Benefits, if you apply on or before that date; or

(2) the first of the month coinciding with or next following the date you apply, if you apply within thirty-one (31) days from the date you first met the eligibility requirements; or

(3) the first of the month coinciding with or next following the date we approve any required proof of good health. We require proof of good health if you apply:

   (a) after thirty-one (31) days from the date you first become eligible; or
   (b) after you terminated this insurance but you remained in a class eligible for this insurance; or
   (c) for an Amount of Insurance greater than the guaranteed issue Amount of Insurance shown on the Schedule of Benefits, if applicable; or
   (d) for an Amount of Insurance greater than you were insured for under the prior group life insurance plan carrier, if applicable; or
   (e) after being eligible for coverage under a prior group life insurance plan for more than thirty-one (31) days but did not elect to be covered under that prior plan; or

(4) the date premium is remitted.

Proof of good health forms are available from us upon request. It is the Policyholder's responsibility to provide proof of good health forms to you when required.

Changes in your Amount of Insurance are effective as shown on the Schedule of Benefits.

If you are not Actively at Work on the day your insurance is to go into effect, the insurance will go into effect on the day you return to Active Work in an Eligible Class for one full day.

TERMINATION OF INSURANCE: Your insurance will terminate on the first of the following to occur:

(1) the date the Policy terminates; or

(2) the end of the month you cease to be in a class eligible for this insurance; however, if you completed the school year and satisfied your contract, coverage will terminate on August 31st; or

(3) the end of the period for which premium has been paid for you; or

(4) the date you enter military service on active duty (not including Reserve or National Guard).

Your insurance may be continued, by payment of premium, beyond the date you cease to be eligible for this insurance, but not longer than: (1) twelve (12) months, if due to illness or injury; or (2) twelve (12) weeks, if due to an approved leave of absence or lay-off. Insurance may also be continued due to termination of employment as set forth under the CONTINUATION OF INSURANCE provision.

MASTER POLICY: You have a right to see the Policy at any time set by the Policyholder. The Policy is on file with the Policyholder.

REINSTATEMENT: Insurance may be reinstated if it was terminated while you were on an approved leave of absence.

You must return to Active Work with the Policyholder within the period of time shown on the Schedule of Benefits. You must also be a member of a class eligible for this insurance.

The insurance will go into effect on the day you return to Active Work for one full day. If you return after having resigned or having been discharged, you will be required to fulfill the Eligibility Requirements of the Policy again.

If you request insurance after previously terminating insurance at your request or for failure to pay premium when due, proof of good health must be approved by us before your insurance coverage may be reinstated.

CONTINUATION OF INSURANCE

Continuation of Coverage

Insurance may be continued for yourself if: (a) you are voluntary or involuntarily terminated or laid off from your employment; and (b) the Policy remains in force for any active employee of the Policyholder.

You are considered laid off from employment if your hours are reduced to the point where you are no longer eligible for coverage under the Policy. Termination does not include discharge for gross misconduct.

Responsibility of Employee

If you elect to continue coverage for yourself, you must pay the cost of continued coverage to the Policyholder on a monthly basis. The amount of premium charged cannot exceed 102 percent of the cost of the plan for such period of coverage for other similarly situated employees with respect to whom neither termination or layoff has occurred, without respect to whether such cost is paid by the Policyholder or employee.

You are eligible to continue insurance for yourself until the earliest of: (a) the date you obtain coverage under another group policy; or (b) eighteen (18) months after the termination or layoff from employment.

Notice of Options

Within 14 days after termination or layoff, the Policyholder must send a notice of continuation to you by first class certified mail informing you of the following: (a) the right to continue insurance; (b) the amount you must pay monthly to the Policyholder to retain the insurance; (c) the manner in which and the office of the Policyholder to which the payment to the Policyholder must be made; and (d) the time by which the payments to the Policyholder must be made to retain coverage.

You have 60 days within which to elect continued insurance for yourself. The 60 day period will begin on the later of: (a) the date insurance would otherwise terminate; or (b) the date you receive notice of the right to continue insurance.

If you die during the 60 day election period and before you make an election to continue or reject continuation, you will be considered to have elected continuation of coverage. Your previously selected beneficiary would then be entitled to a death benefit equal to the amount of

insurance that could have been continued less any unpaid premium on such amount as of the date of death.

Responsibility of Policyholder and Us

If the Policyholder fails to notify you of the options set forth above of if after timely receipt of the monthly payment from you, the Policyholder fails to make the payment to us, with the result that your coverage is terminated, the Policyholder is still liable for your coverage to the same extent as we would be if the coverage were still in effect.

Conversion

After your coverage terminates under the Continuation provision, you may obtain, at your expense, without further evidence of insurability and without interruption of coverage, an individual policy of insurance providing the same or substantially similar benefits. A policy providing reduced benefits at a reduced premium rate may be accepted by you in lieu of the coverage otherwise required by this provision.

CONVERSION PRIVILEGE

You can use this privilege when your insurance is no longer in force. It has several parts. They are:

A. If the insurance ceases due to termination of employment or membership in any of the Policy's classes or due to the termination or amendment of this Policy, an individual Life Insurance Policy may be issued. You are entitled to a policy without disability or supplemental benefits. You must make written application for the policy within thirty-one (31) days after you terminate. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:

   (1) The policy will, at your option, be on any one of our forms, except term life insurance. It will be the standard type issued by us for the age and amount applied for;

   (2) The policy issued will be for an amount not over what you had before you terminated;

   (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and your age at date of policy issue; and

   (4) Proof of good health is not required.

B. If the insurance reduces, as may be provided in the Policy, an individual Life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.

C. If you die during the time provided in A above in which you are entitled to apply for an individual policy, we will pay the benefit under the Group Policy that you were entitled to convert. This will be done whether or not you applied for the individual policy.

D. Any policy issued with respect to A or B above will be put in force at the end of the thirty-one (31) day period in which application must be made.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by you to receive benefits at your death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date you sign it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If you name more than one beneficiary to share the benefit, you must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if you wish to change the designation. His/her consent is also not needed to make any changes in the Policy.

If the beneficiary dies at the same time as you, or within fifteen (15) days after your death but before we received written proof of your death, payment will be made as if you survived the beneficiary, unless noted otherwise.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, any benefits due shall be paid to the first of the following classes to survive you:

(1) your legal spouse;
(2) your surviving child(ren) (including legally adopted child(ren)), in equal shares;
(3) your surviving parents, in equal shares;
(4) your surviving siblings, in equal shares; or, if none of the above,
(5) your estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed $1,000.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, we may pay up to $2,500 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with your last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

(1) is validly named; or
(2) is appointed to receive the proceeds; and
(3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

You may elect a lump sum payment or a different way in which payment of the Amount of Insurance can be made. You must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under $2,000 or option payments of less than $20.00 each are not eligible.

If no instructions for a settlement option are in effect at the death of an Insured, the beneficiary may make the election, with our consent.

OPTION A – FIXED TIME PAYMENT OPTION

Equal monthly payments will be made for any period chosen, up to thirty (30) years. The amount of each payment depends on the amount applied, the period selected and the payment rates we are using when the first payment is due. The rate of any monthly payment will not be less than shown in the table below. We reserve the right to change it. This change will apply only to requests for settlement elected after this change.

Option A Table

9	9.68	19	4.81	29	3.31
10	8.75	20	4.59	30	3.21

OPTION B - FIXED AMOUNT PAYMENT OPTION

Each payment will be for an agreed fixed amount. The amount of each payment may not be less than $10.00 for each $1,000 applied. Interest will be credited each month on the unpaid balance and added to it. This interest will be at a rate set by us, but not less than the equivalent of 1% per year. Payments continue until the amount we hold runs out. The last payment will be for the balance only.

OPTION C - INTEREST PAYMENT OPTION

We will hold any amount applied under this section. Interest on the unpaid balance will be paid each month at a rate set by us. This rate will not be less than the equivalent of 1% per year.

If a beneficiary dies while receiving payments under one of these options and there is no contingent beneficiary, the balance will be paid in one sum to the proper representative of the beneficiary's estate, unless otherwise agreed to in the instructions for settlement.

OPTION D – LIFE ANNUITY OPTION

An annuity will be payable during the lifetime of the beneficiary, ceasing with the last payment due prior to the death of the beneficiary.

Requests for settlement options other than the four (4) set out above may be made. A mutual agreement must be reached between the individual entitled to elect and us.

WAIVER OF PREMIUM IN EVENT OF TOTAL DISABILITY

We will extend the Amount of Insurance during a period of Total Disability for one (1) year if:

(1) you become totally disabled prior to age 60;
(2) the Total Disability begins while you are insured;
(3) the Total Disability begins while the Policy is in force;
(4) the Total Disability lasts for at least 2 months;
(5) the premium continues to be paid; and
(6) we receive proof of Total Disability within one (1) year from the date it began.

After proof of Total Disability is approved by us, neither you or the Policyholder is required to pay premiums. Also, any premiums paid from the start of the Total Disability will be returned.

We will ask you to submit annual proof of continued Total Disability. The Amount of Insurance may then be extended for additional one (1) year periods. You may be required to be examined by a Physician approved by us as part of the proof. We will not require you to be examined more than once a year after the insurance has been extended two (2) full years.

The Amount of Insurance extended will be limited to the amount of basic group life coverage on your life that was in force at the time that Total Disability began excluding any additional benefits. This amount will not increase. This amount will reduce or cease at any time it would reduce or cease if you had not been totally disabled. If you die, we will be liable under this extension only if written proof of death is received by us.

The Amount of Insurance extended for you will cease on the earliest of:

(1) the date you no longer meet the definition of Total Disability; or
(2) the date you refuse to be examined; or
(3) the date you fail to furnish the required proof of Total Disability; or
(4) the date you become age 65; or
(5) the date you retire.

You may use the conversion privilege when this extension ceases. Please refer to the Conversion Privilege section for rules. You are not entitled to conversion if you return to work and are again eligible for the insurance under the Policy. If you use the conversion privilege, benefits will not be payable under the Waiver of Premium in Event of Total Disability provision unless the converted policy is surrendered to us.

If you qualify for benefits in accordance with the Waiver of Premium in Event of Total Disability provision because you have been diagnosed by a Physician as totally disabled due to the following Condition(s) or Procedure(s), as later defined;

(1) Life Threatening Cancer; or
(2) Heart Attack (Myocardial Infarction); or
(3) Kidney (Renal) Failure; or
(4) Receipt of Major Organ Transplant; or
(5) Stroke,

we will pay you an additional, one time, lump sum benefit in an amount equal to 10% of the death benefit under the basic life portion of the Policy up to a maximum of $100,000.

This lump sum benefit applies only to the first Condition or Procedure to occur among those hereinafter defined which qualifies you for waiver of premium benefits. No further lump sum benefits will be payable under this provision during the same or any subsequent periods of Total Disability, or as a result of the occurrence of any other Condition or Procedure.

Definition(s):

"Condition(s) or Procedure(s)" mean only the following:

Organs or tissues covered by this definition are limited to liver, kidney, lung, entire heart, pancreas, or pancreas-kidney.

"Stroke" means a cerebrovascular accident or infarction (death) of brain tissue, as diagnosed by a Physician, which is caused by hemorrhage, embolism, or thrombosis producing measurable, neurological deficit persisting for at least one hundred eighty (180) days following the occurrence of the Stroke. EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL LEAVE ACT AND UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Family and Medical Leave of Absence:

We will continue your coverage and that of any Insured Dependent, if applicable, in accordance with the Policyholder's policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

(1) the premium for you and your Insured Dependents, if applicable, continues to be paid during the leave; and
(2) the Policyholder has approved your leave in writing and provides a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

(1) the end of the leave period required by the Family and Medical Leave Act of 1993, as amended; or
(2) the end of the leave period required by any similar state law, as amended.

Military Services Leave of Absence:

We will continue your coverage and that of any Insured Dependents, if applicable, in accordance with the Policyholder's policies regarding Military Services Leave of Absence under USERRA if the premium for you and your Insured Dependents, if applicable, continues to be paid during the leave.

The Policy, while coverage is being continued under this Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While you are on a Family and Medical Leave of Absence for any reason other than your own illness, injury or disability or Military Services Leave of Absence you will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as

applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective if you are not considered Actively at Work until you have returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in the Policy.

Your coverage and that of any Insured Dependents, if applicable, will cease under this extension on the earliest of:

(1) the date the Policy terminates; or
(2) the end of the period for which premium has been paid for you; or
(3) the date such leave should end in accordance with the Policyholder's policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA.

Should the Policyholder choose not to continue your coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, your coverage as well as any dependent coverage, if applicable, will be reinstated.

TIMING OF NOTIFICATION OF BENEFIT DETERMINATION

Non-Disability Benefit Claims
If a non-disability claim is wholly or partially denied, the claimant shall be notified of the adverse benefit determination within a reasonable period of time, but not later than 90 days after our receipt of the claim, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the benefit determination is expected to be rendered.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing.

Disability Benefit Claims

In the case of a claim for disability benefits, the claimant shall be notified of the adverse benefit determination within a reasonable period of time, but not later than 45 days after our receipt of the claim. This period may be extended for up to 30 days, provided that it is determined that such an extension is necessary due to matters beyond our control and that notification is provided to the claimant, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the claimant is notified, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date by which a decision is expected to be rendered. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the claimant shall be afforded at least 45 days within which to provide the specified information.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended due to a claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.
