|-------------------------------------|-----------------------|-----------------|--------------------------|-----------------|--------------------------|-----------------|----------------------------|
| <i>Students of Color</i>            | <b>60.5%</b>          | 63.5%           | 61.4%<br>+0.9% from 2016 | 64.4%           | 55.3%<br>-6.1% from 2017 | 58.3%           | 47.06%<br>-8.24% from 2018 |
| <i>Free and Reduced Price Lunch</i> | <b>67.9%</b>          | 70.9%           | 66.8%<br>-1.1% from 2016 | 69.8%           | 57.5%<br>-9.3% from 2017 | 60.5%           | 46.2%<br>-11.3%            |

**GOAL #3:** Underserved students in the Annandale school district will show an improvement in student engagement by an increase of one survey indicator mark as measured by a student engagement survey completed in fall 2017 (baseline) and in June 2020.

- Survey will be re-administered this spring for final data collection
- Key Indicator of Progress - we are on track for meeting this goal
  - Increase the percent of participation of underserved students in enrichment opportunities.

| Enrichment Opportunities  | 2018 participation | 2019 participation |
|---|--------------------|--------------------|
| Project Earth<br>YaYa Conference<br>Student Leadership Collaborative<br>Kindergarten Buddies<br>5th grade Writing Collaborative | 17%                | 37.2%              |

**Efforts to achieve AI plan goals**

- Instructional Coach/ Equity specialist position
- Family Liaison position
- Reading and math intervention classes or levelled classes where appropriate
  - Co-Taught model - 7th and 8th grade
  - Added Intervention class for 7th and 8th grade
- Professional development in content literacy, culturally responsive instruction, and educational equity
- Extend enrichment opportunities to include our underserved students through classroom collaborative efforts with St. Cloud schools
- Develop student leadership skills through collaborative partnerships with St. Cloud
