

2019 Annandale Public School Minnesota Required Tests Schedule

Please return to this webpage to check for changes.

If you have personal needs for your child's schedule, please contact Kathy Holahan at 320-274-8208, ext. 3312 or kholahan@isd876.org.

Dates for MCA-III and MTAS-III Tests--MCA Tests meet state and federal requirements for test to measure student learning achievement according to Minnesota state standards.

MTAS-III tests are assessments for special education students who are determined to be unable to be tested by the MCA process. The eligibility for MTAS testing is set in the student's Individual Education Plan. Those tests are scheduled individually for each student.
