

## 2020 Annandale Public School Tests Schedule

**Dates for MCA-III and MTAS-III Tests**--MCA Tests meet state and federal requirements for test to measure student learning achievement according to Minnesota state standards.

MTAS-III tests are assessments for special education students who are determined to be unable to be tested by the MCA process. The eligibility for MTAS testing is set in the student's Individual Education Plan. Those tests are scheduled individually for each student.
